

## Social media and online community policy

Now We're Talking is committed to maintaining the highest standards of professionalism, integrity and fairness in order to create a respectful and safe environment. This extends to behaviour online. Any persons posting on our websites or social media channels are asked to honour the values of respect, caring, tolerance and inclusion. Please refrain from posting anything that could be considered offensive, derogatory, racist, discriminatory, ableist or that defames Now We're Talking, our staff or any other person.

All posts on our social media channels are the responsibility of the author and not Now We're Talking- Speech Pathology and Psychology as a business. Posts of the nature mentioned above will be removed and repeat offenders banned.

Should Now We're Talking- Speech Pathology and Psychology require promotional photos, they will obtain permission before taking any photos, as well as show the client and carer the photos before posting. The client will sign an agreement form provided to them by Now We're Talking- Speech Pathology and Psychology before photos are taken and used for promotional purposes.

We thank you for helping us to continue to create a safe environment for all those who use our services.
